

A close-up, low-angle shot of a Suzuki outboard motor. The upper cowling is black with white and red graphics. The Suzuki logo is partially visible at the top. Below it, the words "SUZUKI" and "FOURSTROKE" are printed in white and red. On the right side of the cowling, there is a white rectangular badge with the text "LEAN BURN" and a small green icon, and below it, the text "Electronic Fuel Injection" in white. The lower part of the image shows the engine block and various mechanical components in a dark, industrial setting.
